

Accelerate 2

Monday 2nd – Friday 6th July 2018

Want to find out more about the career you would like to follow?

Interested in finding out what it's like to study at university?

Want to boost your chances of success in the future?

Held at the University of Strathclyde, 'Accelerate 2' is a week-long programme for pupils at the end of S4 and S5.

Through a series of group activities, you will be able to find out more about the career you are interested in following. There are four courses that you can choose from, depending on what you might like to study after school:

- **Business**
- **Education**
- **Languages**
 - **Law**
 - **Physics**

Led by current university students who will act as your mentors, you and your team will complete our exciting five day challenge programme, as well as attending career workshops and getting a chance to see what student life is like.

What's in it for you?

- Find out about the different areas of the career you would like to follow
- Discover what studying and working in your chosen field is really like
- Discuss your career and academic options with professionals and university staff
- Meet new friends and work with current University students

The cost of Accelerate is £125. Please note that the programme is not residential.

Comments from previous participants:

"It has helped me to become more confident within myself and also given me the confidence I need to pursue a career in education."

"The Accelerate Business programme was outstanding and I am so pleased I decided to apply."

"The programme was a fantastic way of learning new languages that you maybe wouldn't have had the chance to learn."

"I learnt more about the courses available and got tips for applications and heard from experienced people in the law profession."

"I enjoyed the programme as it gave me an insight into what studying physics in a University would be like."
